# CALL FOR PAPERS

ASECU organizes its 18<sup>th</sup> International Conference “Socio-economic challenges in the post pandemic period”, hosted by the Faculty of Economy, “Fan S. Noli” University, on September 23-24, 2022, in the city of Korçë, Albania.

The conference aims to bring together leading academic scientists, researchers, scholars and stakeholders. The focus is on sharing research outcomes on the new socio-economic situation created by the Pandemics Covid-19 and the challenges faced by the national governments.

The detailed study enhanced by the rhythmic and drastic changes of the social and economic structure, aims to highlight opportunities for sustainable development by tempering the negative impact of the situation on the economic, social, psychological and behavioral aspects.

The aim of the Conference is to explore development options urged in the frame of the new economic reality and to encourage academic debate on ways to overcome current regional challenges and to reduce their impact on future global perspectives.

## Topics of interest include, but are not limited to:

- The macroeconomic impact of COVID-19 in a regional, national and international level
- Opportunities enhanced by COVID-19 in the policy perspective of economic and financial sustainable development.
- Digitalization; an innovation tool toward business development and e-commerce
- COVID-19 impact on social, psychological and behavioral aspects
- Perspective of the development of tourism in the post-COVID-19 period
- Government and organization approach on the need to review the strategies, structures and policies of the current situation
- Marketing and digitalization in the Fourth Industrial Revolution.
